

Procedure for Obtaining GCV Draft Specification/CDD and MGV Body of Knowledge

1. Submit the Non-Disclosure Agreement (NDA) form found at:
<http://contracting.tacom.army.mil/majorsys/gcv/gcv.htm> Ensure the CAGE code is included in the subject line of this submittal, on the form and that the form is physically signed.
2. Locate the announcements containing the documents on Federal Business Opportunities. Direct links are available at <http://contracting.tacom.army.mil/majorsys/gcv/gcv.htm> or search at www.fbo.gov using Keyword “Ground Combat Vehicle”
3. Log into FBO using your existing account or create a new account.
4. After logging in, click on the files you want to open using the links on the right side of the page. Note that separate requests must be made for the Body of Knowledge and the Specification/CDD as they are in separate announcements.
5. FBO will prompt you for your firms MPIN. This is tied to your CAGE code. Contact the CCR helpdesk if you have issues locating this.
6. Once the requests have been made an automated email will be generated to the Government reviewer. The CAGE code will be confirmed by Security. Once this is complete the Government approver will approve the access in FBO. You will receive an automated email and can then access the documents.

Contact the FBO Helpdesk (Click ‘Contact Us’ at www.fbo.gov) for issues with the FBO site.
